Overview Celtra® Kits

Convenient kit that includes everything necessary to enjoy the benefits of this smart, integrated product system. Includes ingots, investment and ceramics as well as several key accessories to maximize performance.

Offers convenience of most popular shades, ancillary porcelains and accessories to quickly get started enjoying the benefits of this exceptional veneering system.

Mini-kit offers convenience for the esthetic-minded technician wishing to create individualized characterization of Celtra Press and lithium disilicate frameworks.

Convenient kit promoting stain and overglaze necessary for achieving 16 VITA Classical shades for Cercon, Celtra Press and lithium disilicate frameworks. Wide compatibility and exceptional ease of use make these items a must have in any dental laboratory seeking efficiency.

Mini-kit with the necessary components to create life-like gingiva effects, especially for implant-retained prostheses.

Just the basics for experiencing the incredible consistency, robustness and esthetic capabilities of the Celtra Ceram system.
